

Stanley accommodation recognised

LOCAL accommodation supplier Anthony's at Highfield has been nominated as a finalist in the third 2009 Best Places to Stay Awards.

The awards are run by Australia's only independent boutique accommodation travel site, TakeABreak.com.au, to recognise outstanding service in specialist segment categories.

A total of 18 categories were judged with Anthony's at Highfield being named a finalist in the gay and lesbian friendly and pet friendly categories.

Located in Stanley, Anthony's at Highfield is a self contained accommodation for up to six people set in the scenic splendour of the Greenhills. The property is described by the travel site as a "relaxing stay in an old warm charm where is everyone is welcome".

The state winners will be announced at the end of September and the national winners in each category will be named in November. Judges look at relevance to the category, information provided to guests, service provided and personal guest feedback.
