

Glen Davis Hotel is a getaway finalist

The Glen Davis Boutique Hotel has been nominated as a finalist in the annual TakeABreak.com.au awards for group accommodation.

The hotel has featured on the Great Outdoors and Sydney Weekender and was Fox Studios' accommodation selection for the promotional release campaign for Baz Luhrmann's 'Australia.'

TakeABreak.com.au is Australia's only independent boutique accommodation travel site.

State winners will be named at the end of September and national winners announced in November.
