GROVE GETAWAY WINS TAKE A BREAK HONOUR

OCEAN Grove luxury apartment Surf Serenade has made the top 100 in the fourth Annual Take A Break awards.

Owner Simone Renton said Surf Serenade had competed against 22,000 properties in 1500 locations to win the award.

"To make the top 100 is fantastic considering how many different properties are in the awards," she said.

"It is pretty exciting and good for tourism in Geelong and Ocean Grove."

Ms Renton said Surf Serenade provided luxury accommodation at a good price.

"It is 4.5 star and has a personalised five-person spa on the deck outside," she said.

"It also has all the mod cons, like plasma televisions. All anyone has to do is come here with their clothes and some money."
