## Merger for more visitations

LOCAL Mansfield accommodation centres which are members of the [www.takeabreak.com.au](http://www.takeabreak.com.au) online information and booking agency will now receive even greater online tourism exposure through the merger of leading websites [www.takeabreak.com.au](http://www.takeabreak.com.au) and [www.rentahome.com.au](http://www.rentahome.com.au) into [occupancy.com](http://occupancy.com).

Occupancy.com will offer greater exposure, significant benefits and deliver more bookings to holiday rental managers and ultimately more visitors to the Mansfield area.
