■ ECOTOURISM stars Andrew and Bronny Caire keep gaining the plaudits for their Pike River Woolshed accommodation, recently winning another award.

The woolshed took out the group accommodation category in the annual TakeABreak Awards and is a self contained fully equipped retreat ideally suited to a quiet weekend for two, or a holiday home for up to 10.

The property is a fantastic advertisement for what can be done in the Riverland in the ecotourism field.

Well done Andrew and Bronny!
