

Local business collects national award

Over the past few weeks, Sandy Lake Farm B&B in rural Gingin, at Muckenburra, has been awarded both the state and national 2010 TakeABreak Award in the category of Country Getaways accommodation.

This prestigious award described Sandy Lake Farm 'as a tree-lined limestone drive takes you towards the Sandy Lake Farm B&B and you may see the grazing Galloway cattle and Dorper sheep. A little further and

you'll find the house sitting on the rise among rolling green lawns, roses and gum trees.'

Woollybush Guest House at Woodridge won the 2010 TakeABreak state award for Host Accommodation. Woollybush is described as 'Total relaxation just an hour north of Perth.'
