

Sussex Inlet, Cudmirrah & Berrara

Sussex Inlet is known as the Island Township and is located two and a half hours from Sydney and three hours from Canberra. Only fifteen minutes from the Princes Highway, the Sussex Inlet district is a lovely, scenic area of the Shoalhaven.

Sussex Inlet is proud of its lovely white, sandy surfing beaches and lots of inland waterways offering many water activities. Swan Lake is popular for water skiing and sailing. If you are interested in land activities there are great bush walking tracks with plenty of wildlife to see plus our famous golf course with its resident kangaroos. With numerous BBQ facilities available a picnic lunch and riverbank fishing may take your fancy.

For a little town Sussex Inlet has ample medical help on hand with an ambulance station, three doctors, a dentist, chemist and optometrist. As you start to unwind and enjoy your stay in Sussex Inlet you can try our local cuisine at the RSL Club, Bowling Club, Sail Fish Club, Collins' Fresh River & Seafood for the best seafood in town, Café High Tide or Cudmirrah Café and have a coffee and cake while you watch the wind surfers go by. You can do your food shopping in town or take a drive north to Nowra or south to Ulladulla. We now also have our own 25 metre indoor heated swimming pool.

With Compliments
